

This year Aesthetic Surgical Arts is helping give back to a local Charity Organization Riverview Center for Growth.

**Please help by donating the following items:**

- Hoodies for Kids, Youth and Teens
- Small Squishmallow Toys
- Small Fidget Toys
- Rubik's Cubes or other similar toys

Riverview Center for Growth provides emotional, behavioral, and mental health therapy for children, teens, adults, and families. Offered onsite, in the home, virtually, and at local schools, their programs and services meet people where they are, without judgment. They offer a broad range of programs including outpatient counseling, community-based intensive treatment, day treatment, parent education, wellness services, and psychiatry. Their agency also provides 24/7 crisis response to all youth across Lane County at no cost to families. They also have a research department that works to track treatment outcomes, analyze data, and oversee grant writing.

***THANK YOU FOR YOUR HELP AND SUPPORT FOR THIS CHARITY!***
